Journal of Coloproctology is listed in Web of Science and SciELO databases. JCOL is affiliated to the International Committee of Medical Journal Editors.

Journal of Coloproctology (JCOL) is an official publication of the Brazilian Society of Coloproctology (SBCP) in partnership with Elsevier Editora Ltda. and is dedicated to the medical community in Brazil and Latin America.

Edited by Brazilian Society of Coloproctology
Published by Elsevier Editora Ltda. © 2016.

All rights reserved and protected by law 9.610 - 19/02/98. No part of this publication may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopying, recording or any information storage and retrieval system, without permission in writing from SBCP and the Publisher.

No responsibility is assumed by Elsevier for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions, or ideas contained in the material herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.

Content dedicated to the medical community.
